APPLY NOW FOR THE COMMUNITY SERVICE AWARDS

All nonprofit organizations in Orange and Osceola counties are invited to apply for the 1981 Community Service Awards Program.

The purpose of the Community Service Awards Program is to recognize and reward organizations in Orange and Osceola counties that undertake and carry out programs of community service which fulfill a need in their communities and to provide an incentive to promote such service, as well as to encourage newcomers to become involved. Community service projects submitted for consideration for a Community Service Award must have occurred during the period from January 1, 1980 to December 31, 1980. While the project may be of a continuing nature, only those activities which took place during 1980 will be considered for judging.

Since the program began in 1972, 245 service organizations have received awards totalling \$325,000 for exceptional community service. In this, our 10th year, a total of \$85,000 will be awarded in 47 categories. Four \$1,000 awards will be given in 10 categories: Cultural, Educational, Service for Youth, Accomplishments by Youth, Special Health Services, Accomplishments by

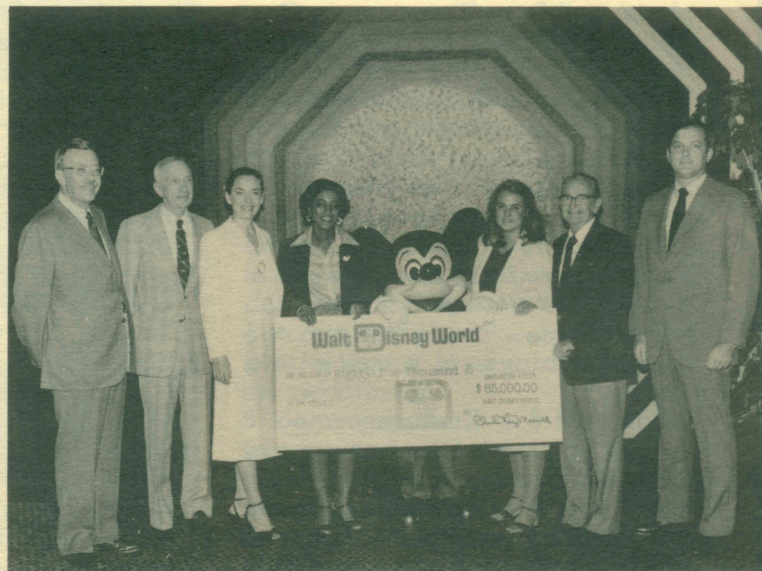

Support Groups, Social Community Service, Civic Community Service, Environment and Ecology and Service for Senior Citizens. Five \$5,000 special judges awards will be given to the five organizations which the judges feel deserve special recognition. In celebration of our 10th year, a special one-time \$10,000 award will be given to the organization who, in the opinion of the Awards Committee, has consistently displayed 10 years of community service excellence. The final award will be the Outstanding Award of \$10,000 to the organization who has carried out the most exceptional and notable community service project during 1980.

The 1981 Awards Committee consists of Dr. Bob Denny, General Bruce Holloway, Mrs. Ernest (Jacquelyn) Page, Ms. Marena Grant, Miss Frances Lewis, Mr. Alan Starling and Chairman Walter Windsor.

If the organization you belong to would qualify for any of these awards, contact the Public Relations Department at 828-3453 today. The **deadline** for this year's applications is **Friday, January 23**, so don't delay. Your group just might walk away with a 1981 award!

The Community Service Awards Committee for 1981 includes Chairman **Walter Windsor**, **Dr. Bob Denny**, **General Bruce Holloway**, **Jacquelyn Page**, **Marena Grant**, **Frances Lewis** and **Alan Starling**.

HAPPY NEW YEAR FROM ROBIN

Happy New Year:

I am really grateful for this opportunity to say hello and to wish each and everyone a very Happy New Year. This new year will be very exciting for all of us here at Walt Disney World with exciting updates on EPCOT Center, Tokyo Disneyland and of course, the beginning of our own Tencennial Celebration to look forward to.

My year actually began a little early when I was selected the 1981 Walt Disney World Ambassador. I immediately joined **Willie Van Der Zwagg**, the new Disneyland Ambassador, for our training program which included three weeks in California and a week in Tokyo for the special site dedication ceremony for Tokyo Disneyland. That trip was fabulous! the people were very friendly and they love Mickey Mouse. This is a very exciting project in a country and culture quite different from ours. We are combining the best of both Disneyland and Walt Disney World, plus some new projects uniquely Japanese to make a terrific Magic Kingdom in Japan.

Willie and I finished our training just prior to Christmas after spending a couple of weeks here in Florida learning about Walt Disney World.

I would also like to take this opportunity to wish **Monica Hallecks**, our 1980 Walt Disney World Ambassador, the best in her future . . . she was a wonderful Ambassador, and I'm sure it will be hard to follow her!

We are all looking forward to a new year, and I am especially looking forward to meeting each of you in the days to come. Cast Activities has a full year of fun things in store for us and I'm sure I'll see you at many of those events! Let's all keep in touch!

Lots of Love,

Robin

FIRST CONTRACTS AWARDED FOR WORLD SHOWCASE CONSTRUCTION

The first contracts for the construction of two World Showcase pavilions has been awarded to Pepper Construction Co. of Barrington, Illinois.

The award, for the Canada and United Kingdom pavilions, marks the start of construction on the World Showcase portion of EPCOT Center, which opens October 1, 1982.

EPCOT Center, an international showplace for the achievements of today's nations and the concepts the future, will cost an estimated \$800 million. Construction is already underway on four major themed "lands" in the Future World area of EPCOT Center.

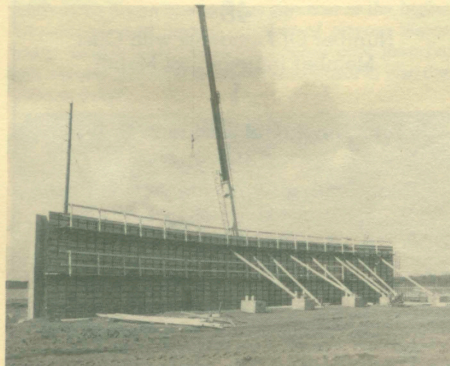

The Canada and United Kingdom pavilions are adjacent, bordering the World Showcase lagoon. The Canada pavilion features an all-new, Circle-Vision 360° motion picture highlighting the grandeur of Canada's varied features. In addition to shops and dining areas, the pavilion also includes breathtaking architecture and landscaping typical of America's northernmost neighbor.

In the United Kingdom pavilion, a typical British pub is surrounded by quaint shopping areas, designed in a variety of classic English architectural styles and a beautifully landscaped gazebo and garden area.

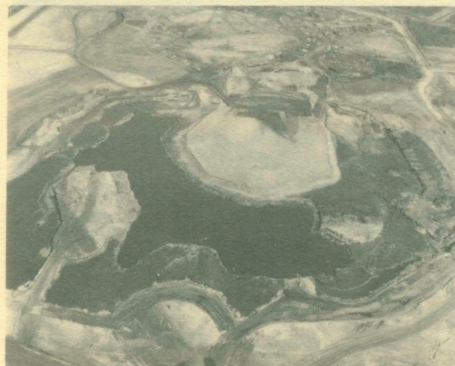

The next major EPCOT Center contract to be awarded is expected to be the American Adventure, presented by Coca-Cola and American Express.

As you can see the Future World section of EPCOT Center is already taking shape. The foundation for Space Ship Earth's geodesic dome is clearly visible as are the pads for the monorail support beams. The building in the upper left is the Transportation Pavilion.

One, two, three and a whole wall is in place at EPCOT Center ... well, it wasn't quite that easy!

Land has been cleared in preparation for the start of construction on the World Showcase pavilions.

These items are generally excess or replaced items used throughout the property, in offices or our resorts, or are unclaimed Lost and Found articles. CAST ACTIVITIES

NEWS

1980 HAD FUN FOR ALL WITH CAST ACTIVITIES

The year 1980 has come to a close, but not without leaving behind great memories and perhaps a few sore muscles for the thousands of cast members who participated in the numerous events and sports hosted by Cast Activities.

"One picture is worth a thousand words," so step back many thousands of words and memories as we review the highlights of last year!

Hundreds of cast members rolled out of bed and into a canoe seat at 6:00 a.m. again this year, to paddle for all they're worth in our annual Canoe Challenge of the World!

Cast Activities' Fall Festival featured everything from jugglers to swimming in the lake. Many cast members and families spent the day at the lake to visit and participate.

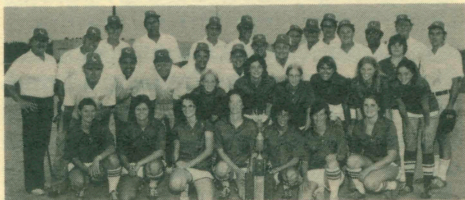

The After Hours Players took us all back to the 1950's this Fall, with their production of "Bye Bye Birdie."

Little Lake Bryan opened this summer to the highest attendance and largest number of private department parties ever! More and more cast members discovered that it's a lot easier and closer to visit their private lake!

The After Hours Players scored big with their production of "Anything Goes" in the early Spring. It was red, white and blue; full of singing and tap dancing that had the audience on the floor laughing!

The Execs did it again, sweeping away both the men's and women's softball teams in the annual clash.

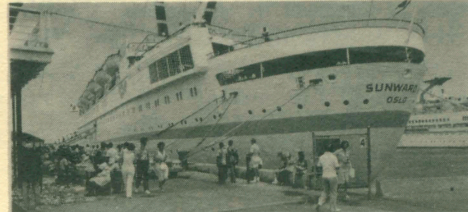

Over 600 cast children hunted for Easter eggs at Little Lake Bryan, as Cast Activities hosted our annual Easter Egg Hunt.

Once again, this past year, our Disney runners ran away with top honors in our annual St. Patrick's Day Run. Runners from Sea World, Stars Hall of Fame, Circus World and Wet 'n' Wild also participated in this fun run.

Disco dancing and roller skating were two big fads of 1980, so Cast Activities capitalized on both by hosting numerous cast disco skating parties.

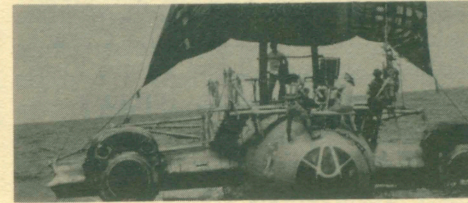

Cast Activities hosted two trips to the islands in 1980, a four-day cruise aboard the Sunward II in the Spring and a longer, seven-day Fall cruise.

One of Walt Disney Productions' most ambitious pictures to date, *The Black Hole*, premiered for the cast in late March. Many thousands attended the showings, and marveled at the deep space magic created on the big screen.

Snow skiing had a banner year, as many employees ventured to snow country at both Beech Mountain, N.C. and Colorado for one of the best winters ever!

Thousands of cast families watched an island stranded group of modern day Robinson Crusoes make a boat out of a vintage WWII bomber in the cast premiere of *The Last Flight of Noah's Ark*.

IT'S THAT TIME OF YEAR AGAIN

No one wants to discuss income taxes but it is that time of year again.

Cast Activities has tax forms for your convenience. We have lots of blank 1040 and 1040A forms. We also have special tax forms that may save you some money, like energy credits, child care credits and more.

Start figuring early so you can get your return back sooner!

THE BODYGUARD

The Bodyguard is **not** a new thriller-chiller movie. The Bodyguard is **not** a 6'5", 300-pound, hairy ape. The Bodyguard **is** a nonlethal weapon that could protect you against a violent crime.

The Bodyguard is a three-inch canister of chemical spray, not mace, that is carried in a leather sheath which is attached to a key ring. The chemical spray will stop an assailant for 15 to 30 minutes but will cause no permanent damage. The spray range is six to 10 feet with up to 12 shots in each canister.

What is important to remember is that the Bodyguard will be in your hand when you need it. Using the key ring means the Bodyguard will be there when you unlock your apartment door or your car door. Cast Activities has Bodyguards for only \$7. The Bodyguard is like insurance. We hope you won't ever need to use it, but if you do, you have it in your hand.

SPORTS, CLUBS & SPECIAL EVENTS

PHOTO EXHIBITION IN LBV CAFETERIA

Cast Activities' recent Creative Photography Class, which graduated its students last month, will be holding an exhibition in the **Crew's Galley Cafeteria** (Lake Buena Vista Village) on **Thursday, January 15**, from 8 a.m. till 5:30 p.m.

Instructed by Lake Buena Vista's **Joe La Hart**, the students spent 10 weeks learning their trade as well as darkroom techniques used in making all the prints.

PHOTOGRAPHY CLUB ORGANIZING

All cast members (and dependents) interested in joining the new **Photography Club** are invited to attend an organizational meeting on **Thursday, January 15**, at 6 p.m. at Little Lake Bryan.

Discussion will center around a meaningful format to interest cast photographers of all levels, from amateur "shutter clicker" to professional.

If you enjoy the art of photography, and would like to band together with fellow cast members to share your interest, then plan on attending this organizational meeting at Little Lake Bryan. Hope to see you there ... get the picture!

DIVE CLUB NEWS

Attention all you die-hard divers! The Dive Club has trips planned throughout the cold winter months! Sign up now for the **January 17 and 18** trip to **Ginnie Springs**, near Gainesville. Two days of diving, one air fill, all camping fees and a Saturday night dinner will cost you just \$21. There are only 15 openings for this trip, so contact Dive Master **Michael Craun** tonight at 859-2173.

It's **dues time again**. Just \$6 for a family membership will offset the cost of trip deposits and 1981 parties. The club is open to all certified divers that are cast members or dependents. Membership cards may be purchased at Cast Activities or at Dive Club meetings. And while you're paying your dues, **renew your recompression chamber membership**. This \$4 fee can also be paid at Cast Activities.

And don't miss the first **Dive Club meeting** of 1981! It will be held on **Tuesday, January 13**, at 7:30 p.m. at the Windhover Condominiums Clubhouse. Come on out so we can plan dive trips where you want to go!

SAINT PAT'S ROAD RACE

It's not too early to begin training for our annual Saint Patrick's Day Road Race, scheduled for **Saturday, March 14**.

This fifth annual event will have Walt Disney World cast members running against both the clock and employees from other area attractions including Sea World, Circus World, Stars Hall of Fame and Wet 'n' Wild.

Start jogging/running now to get in shape for this four-mile run!

SPRING SOFTBALL MEETINGS SCHEDULED

Two very important organizational meetings for all Spring Softball Leagues are just a couple of weeks away! The first meeting is set for **Wednesday, January 28**, at 6 p.m., with the second meeting set for **Wednesday, February 4**, at 6 p.m.

It is important that all teams seeking a berth on the Monday night Ladies' League, Tuesday, Wednesday and Thursday night Men's Leagues or Friday night Co-Ed League have a representative present at **both** meetings.

Spots in all of the leagues will be on a first-come-first-served basis. Teams will sign up for their selected evening of play at the first meeting. At the second meeting all rosters and team fees are due. Any team not turning in rosters and team fees at that time could lose their spot on the league. There is a maximum number of twelve teams allowed in the Ladies and Co-Ed Leagues. The Men's Leagues will have two sessions: an Early league with play starting at 6:30 p.m. and Late Leagues with play beginning at either 8 p.m. or 9:15 p.m.

Actual play will begin on Monday, February 9.

Remember, no team registration will be accepted over the phone, so be sure you have your team representative at both meetings. See you there!

INSTRUCTIONAL PROGRAMS TO START THE NEW YEAR OUT RIGHT

Shape Up For The New Year!

It's time to get in shape for the New Year! All those holiday "goodies" have probably put a few pounds on you, and now's the time to shed them!

now in full swing. This class teaches the history, background and skills of the craft. Throughout the six-week session you will produce three traditional baskets: the egg basket, the potato basket and the key basket. Each has a functional use.

The class is taught by **Kay Barnes** from International Hand Craft Center in Winter Garden. Her many years of teaching promise to make this class exceptional. The first session will be held on **Wednesday, January 21** at a cost of \$20 plus materials.

SPORTSMAN ASSOCIATION CAMPOUT

The first campout of 1981 will be at Lake Whipporwill Resort which is on Route 15 off the Beeline Expressway. The dates are **Friday, January 23 and Saturday, January 24**. With the cold winter days and nights bringing thoughts of cozy fireside reading to us, the Cast Library has some book series that might interest you.

As you sit by the fire why not enjoy the Time-Life books of famous artists. Glance through the **World of Michelangelo** which contains picture after picture of his famous sculptures and paintings. If Renaissance art is not to your taste why not study the **World of Picasso** which spans his many styles and forms of art. The art series also includes entire books on such famous artists as Winslow Homer, Rembrandt, Van Gogh, Copley and Manet.

If you would prefer to bone up on home maintenance, the Cast Library
